

# Discover the Reef Encounter the *extraordinary*

Eco-tourism adventures where  
sustainability meets wonder.

ARGO

Step aboard Argo Expeditions, your gateway to the Great Barrier Reef's most unforgettable eco-adventures. With a deep commitment to sustainability and respect for the ocean, we offer rare encounters with wildlife and immersive experiences that celebrate the beauty of our World Heritage listed reef.

From snorkelling above vibrant coral gardens to swimming alongside the elusive dwarf minke whale, every journey with us is designed to inspire awe and deepen your connection with the sea.

# Reef Exploration

Dive into Living Colour

Beyond the whales lies a world of endless discovery. Our reef tours take you to vibrant coral cays, lagoons, and outer reef systems that few ever get to experience.

Whether you're snorkelling for the first time or an experienced diver, you'll discover:

- Pristine coral ecosystems teeming with tropical fish.
- Guided snorkel and dive tours with expert crew.
- Opportunities to learn about reef health, conservation, and the challenges facing our marine environment.

Every trip combines relaxation with exploration, blending the thrill of discovery with the joy of being immersed in crystal-clear waters.

# Onboard ARGO

## Your Floating Base for Adventure

Argo is more than just a vessel – it's your home at sea as you journey into the heart of the reef. A 27-metre motor yacht with a cruising range of 3,000 kilometres, Argo comfortably accommodates up to 16 passengers. The spacious saloon offers room to relax indoors, while generous deck areas provide the perfect setting for dining, activities, or simply soaking up the ocean views.

### Onboard you'll enjoy:

- Expansive decks ideal for wildlife watching, fishing, or photography.
- Comfortable cabins designed for rest after a day of adventure.
- Freshly prepared meals featuring quality local produce.
- A friendly, professional crew dedicated to your comfort, safety, and enjoyment.

# Our commitment to *sustainability*

At Argo Expeditions, protecting the reef is at the core of everything we do.

- We operate under Great Barrier Reef Marine Park Authority (GBRMPA) permits.
- We support ongoing scientific research and contribute to reef monitoring programs.
- We follow best practice eco-tourism standards, ensuring minimal environmental footprint.

When you travel with us, you're helping safeguard the reef for future generations.

# Be part of something *extraordinary*

Join us for an eco-tour that blends adventure, discovery, and conservation. Whether it's the magic of swimming with minke whales or the wonder of exploring untouched coral reefs, your journey with *Argo Expeditions* will leave lasting memories – and a deeper appreciation for our natural world.
