

Your floating
base for
adventure

ARGO

Argo is more than a vessel, she's a floating base designed to take you wherever the adventure leads. Purpose-built for exploration, this 27-metre motor yacht boasts a cruising range of 3,000 km and comfortably accommodates up to 18 guests for extended expeditions.

From liveaboard fishing charters, diving adventures and dwarf minke whale encounters, to private charters, corporate retreats, research and film projects, and mothership-style operations, Argo is uniquely equipped to support a wide range of experiences across Australia's remote reefs, coastlines and oceans.

Onboard, guests can unwind in the air-conditioned palatial saloon or relax on the expansive decks as the sun sets over the horizon. With generous work areas, comfortable cabins, excellent catering and an experienced crew, Argo seamlessly blends capability with comfort making her the ideal platform for adventure, discovery and unforgettable time at sea.

ARGO

Why Argo Stands Out

Spacious Saloon

The heart of Argo is her generous, air-conditioned saloon, a welcoming space designed for both relaxation and connection. Guests can stretch out across three comfortable lounge booths, gather around the formal dining table seating up to 15, enjoy refreshments from the fully stocked bar, or unwind with a movie on the 50-inch smart TV with surround sound. Whether it's downtime between activities or evenings spent swapping stories, the saloon offers true comfort at sea.

Deck & Outdoor Living

Argo's expansive aft deck extends the living space outdoors, making it ideal for relaxed BBQ lunches and dinners, socialising, or simply enjoying the ocean air. With plenty of room to move, the aft duckboard provides a practical and easy-access area for water activities and preparations, without compromising guest comfort.

Set Up for Extended Time at Sea

Designed for longer expeditions, Argo is fully equipped to support life offshore in comfort. A high-output desalinators producing 200 litres of freshwater per hour and dual 75 KVA generators ensuring reliable water and energy supplies and smooth day-to-day operations on extended journeys.

Why Argo Stands Out

Comfortable & Flexible Accommodation

Argo offers versatile accommodation suited to a wide range of charter styles and group sizes providing comfortable air-conditioned sleeping arrangements for families and groups alike.

Tender & Support Craft

A selection of three tenders can be deployed as required to support diving, fishing, exploration and shore access. All tenders can be manned by a coxswain if required ensuring smooth and efficient operations.

Convenient Onboard Facilities

To support longer voyages, Argo is equipped with full laundry facilities, including two washers and dryers, keeping linen fresh and guests comfortable throughout the journey.

Commercial-Grade Galley & Catering

Argo features a full commercial-grade galley designed to support extended time at sea without compromise. Fresh, hearty meals are prepared onboard daily, with three meals per day plus snacks included on all charters, along with a selection of non-alcoholic refreshments. Whether you're refuelling after a day of activities, or enjoying a relaxed meal with your group, the galley ensures everyone is well-fed, comfortable and ready for the next adventure.

Flexible options

Argo offers flexible accommodation options for up to 18 guests, making her well suited to families, groups and extended liveaboard charters.

All cabins are thoughtfully designed for comfort at sea, with fresh linen provided for every guest, plus a mid-stay linen wash included on longer voyages.

Bunk Cabin (Cabin #5)

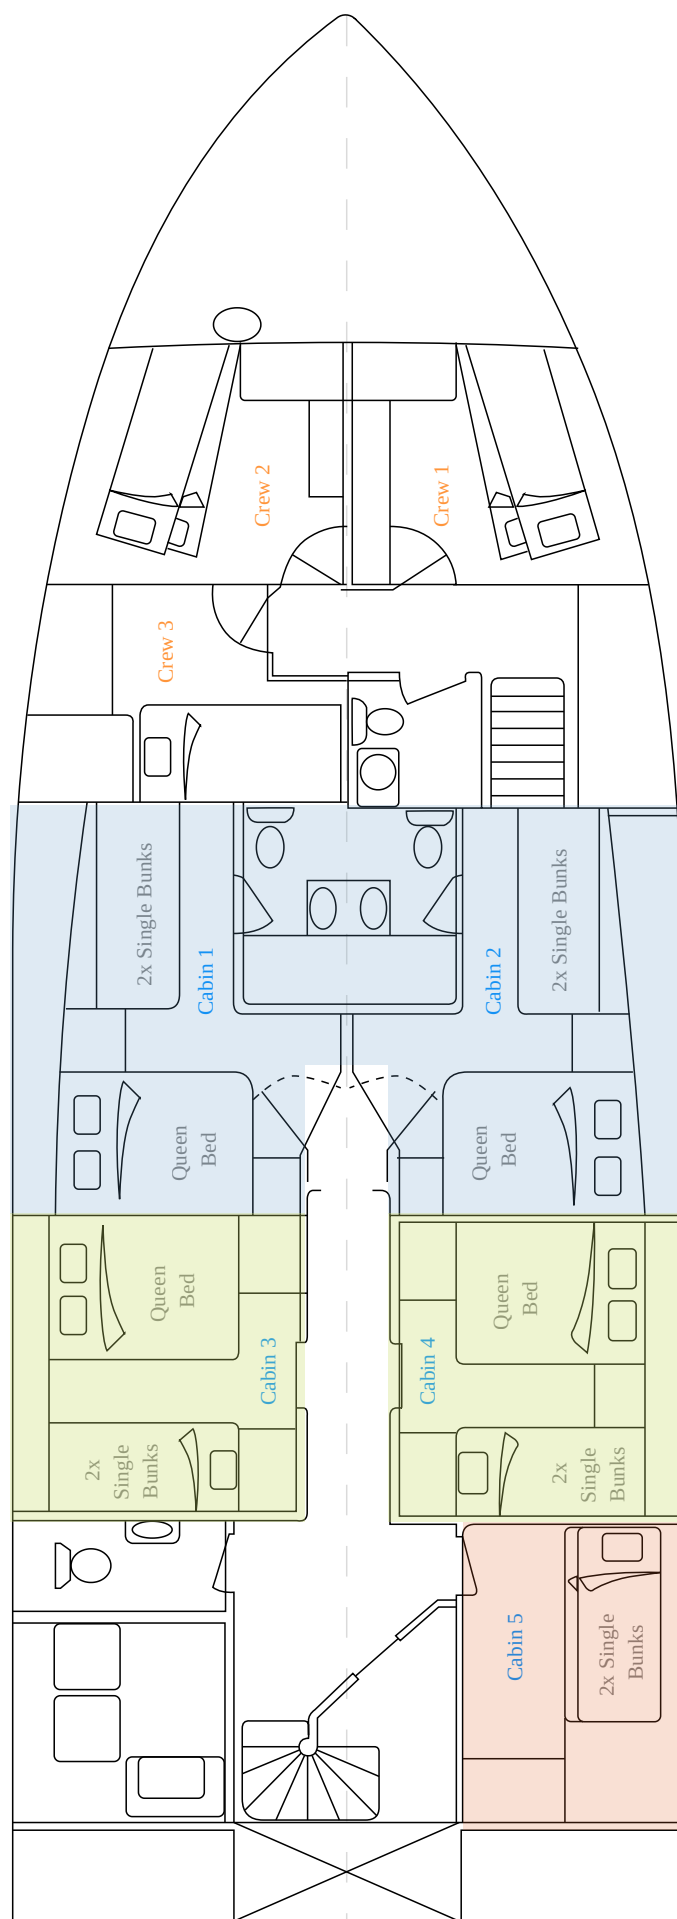

Ideal for twin share accommodation, this cabin features two single bunk beds, a dedicated storage area and access to a shared bathroom.

Mid Cabins (Cabins #3 & #4)

These spacious family-style cabins include one queen bed and two single bunk beds, offering twin, triple or quad occupancy options. Guests share a conveniently located bathroom.

Ensuite Cabins (Cabins #1 & #2)

Designed for added comfort and privacy, these cabins feature one queen bed and two single bunk beds, along with a private ensuite bathroom. Suitable for twin, triple or quad occupancy.

Make Your Trip *extraordinary*

Argo is the ideal vessel to take on that dream expedition to remote, unexplored destinations. Whether it be exploring the far northern reaches of the Great Barrier Reef and the Torres Strait or leisurely cruising down to the Whitsundays, Argo will get you there in style and comfort.
